MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Accountability of [REDACTED] Chief  
[REDACTED] for the period 1 October 1949  
Through 31 October 1951

The attached report on the accountability of [REDACTED] is a reconstructed accounting reflecting the field activities conducted under his direction during a two year period. For this reason and a general lack of suitable supporting data the accounting is not susceptible to effective Agency audit. My approval of the attached report is in recognition of this fact and is subject to my understanding that the accounting is approved by Mr. Wisner and is supported by his statement to the following effect:

1. The operational requirements of [REDACTED] for the period in question were such as to preclude the Chief of the station, [REDACTED] from properly managing the fiscal operations of the station.

2. The nature and amount of the reported expenditures were reasonable and proper in the terms of [REDACTED] approved operational instructions.

3. Mr. Wisner is of the opinion that [REDACTED] integrity and honesty is above approach and that the unsupported statements of expenditures made by [REDACTED] should be accepted as having been made in the interest of the government.

[REDACTED]  
Auditor-in-Chief
